1.1. The Conditions set out below shall apply and are incorporated into any contract for the hire and/or sale of goods ("equipment") between Ashburton U Hire (2003) Limited (the "Owner") and the person/entity hiring or buying the equipment ("Hirer") ("Contract"). The Owner reserves the right to change these Conditions without notice. Any amended Conditions will be placed on Ashburton U Hire (2003) Limited's website (www.ashburtonuhire.co.nz) and shall apply with effect from the date they are placed on the website unless the amended Conditions specify a later date from which they are to apply.

The "hire periods" are as defined in clause 2.2 provided that the Hirer agrees that the Owner may charge extra on a pro rata basis for any equipment usage in excess of the hire periods or the "maximum usage times" as set out in clause 2.2. Certain equipment may carry minimum and/or maximum hiring periods. The Hirer shall not be entitled to a refund or reduced hire charge if the Hirer chooses to return the equipment to the Owner before the end of the agreed hire period unless previously agreed to by the Owner.

2.2. "Hire periods" and "maximum usage times" are:

2.4. The Hirer shall pay as invoiced for the hire period for all equipment used, loss and insurance charges (if applicable), delivery/removal costs, excess use charges, any damage to or loss of the equipment, cleaning costs (if any), and default interest for late payment.

2.5. If the weekly charge rate is less than the accumulated daily hire charge, the weekly rate will apply.

2.6. Cleaning fees will be assessed and charged if the Hirer returns equipment that the Owner deems (in its sole and absolute discretion) to be excessively dirty or requiring maintenance due to the Hirer's use. The Owner's usual hourly base rate for cleaning fees is \$50.00 per hour. This fee is indicative only and the Owner reserves the right to charge more for complexity.

3. PAYMENT AND DEFAULT INTEREST

3.1. All charges are exclusive of GST unless otherwise indicated and the Hirer shall pay the charges plus GST where indicated.

3.6. The Owner will not accept any claim for credit received more than one month after the date of invoice.

3.7. The Owner reserves the right to apply payments received in any manner the Owner determines.

3.8. Without prejudice to the Owner's other remedies under these Conditions, at law or otherwise, the Hirer will pay default interest at the rate of 5% above the Owner's overdraft rate calendar month on all outstanding amounts from the end of the agreed hire period (for cash customers) or from the 20th of the month following date of invoice (for credit account customers), until all monies have been paid in full.

3.9. The Hirer must make all payments due under the Contract (time being of the essence) without set-off or deduction of any kind.

3.10. No credit shall be extended on overdue accounts.

3.11. The Hirer's obligations to pay charges and any other sums to the Owner shall continue despite any mechanical defect in or breakdown of, theft of, or accident or damage caused to the equipment.

5.4.2. the balance of all rental yet to accrue from the date of termination to the expiry of the term of the Contract discounted for early payment in such amount as the Owner at its sole discretion allows.

5.5. Termination of the Contract by the Owner is without prejudice to any rights that the Owner may have under this Contract.

5.6. The parties acknowledge that, notwithstanding the provisions of the Contract Remedies Act 1979, the Hirer shall not be entitled to cancel or otherwise terminate the Contract.

6. ASSIGNMENT

6.1. The Hirer shall not assign, sublet, charge or part with possession of the equipment or any part of it but this shall not prevent employees of the Hirer using the equipment in conformity with these Conditions.

6.2. The Owner may at any time assign its rights or interests, or any part thereof, (whether absolutely, or by way of security) or transfer its obligations or any part thereof, to any person.

7. HIRER'S OBLIGATIONS

7.1. The Hirer shall:

7.1.9.2. in the case of loss, theft or irreparable damage to the equipment however caused, the full cost to the Owner of replacing the equipment (replacement shall be the exact same model of equipment or, if no such model exists, the market equivalent as agreed between the parties); and

8. PERSONAL PROPERTY SECURITIES ACT 1999 (PPSA)

8.1. The Hirer acknowledges that title to hired equipment remains with the Owner at all times. Equipment purchased from the Owner remains the property of the Owner until paid for in full.

- 8.2. Hire or acquisition of the equipment shall create a security interest in the equipment. This document constitutes a security agreement for the purposes of the PPSA and the provisions of this clause 8 apply. All terms in this clause 8 have the meaning given in the PPSA and section references are to sections of the PPSA.
- 8.3. On the request of the Owner, the Hirer shall promptly execute any documents, provide all necessary information and do anything else required by the Owner to ensure that the security interest created under the Contract (including these Conditions) constitutes a perfected security interest in the equipment and their proceeds which will have priority over all other security interests in the equipment.
- 8.4. The Hirer shall not register a financing change statement or a change demand in respect of any registered security interest in the equipment.
- 8.5. The Hirer will pay to the Owner all fees and expenses incurred by the Owner in relation to the filing of a financing statement in connection with the Contract.

In consideration of the Owner agreeing to hire the equipment to the Hirer, the Hirer charges all of its rights, title and interest (whether joint or several) in any land, realty or other assets capable of being charged, owned by the Hirer either now or in the future, to secure the performance by the Hirer of its obligations under these Conditions (including but not limited to, the payment of any monies).

- 9.3. The Hirer irrevocably appoints the Owner and each director of the Owner as the Hirer's true and lawful attorney(s) to perform all necessary acts to give effect to the provisions of this clause 9 including, but not limited to, signing any document on the Hirer's behalf.
- 10. INSURANCE AND LIABILITY**
- 10.1 The Hirer is liable for:
- 10.1.1 any loss of, or damage to the equipment and accessories to the equipment;
- 10.1.2 any consequential damage, loss or costs incurred by the Owner, including any salvage costs, loss of ability to re-hire and loss of revenue arising from loss or damage to the equipment;
- 10.1.3 any loss of, or damage to, vehicles and property of third parties, arising during the term of the Contract.
- 10.2. Subject to payment by the Hirer of the excess (clause 10.6) and except for the exclusions set out in clauses 10.3 to 10.4 and subsections thereof, the Hirer's liability under clause 10.1 is covered by the Owner's insurance PROVIDED THAT the Hirer:
- 10.2.1. has at all times acted reasonably and with reasonable care;
- 10.2.2. has delivered to the Owner (within 24 hours of the time when the Hirer first becomes aware of the loss of or damage to the equipment) a complete correct written report of the circumstances of such loss of or damage to the equipment, including, in the case of any loss appearing to result from any criminal act, an applicable police complaint acknowledgement form; and
- 10.2.3. Rendered such assistance and done such other things as the Owner shall have reasonably required for the purposes of enabling the Owner to recover such loss or damage, including from any potentially responsible third party.
- 10.3. The Hirer acknowledges that the Owner's insurance cover DOES NOT cover:
- 10.3.1. Theft of or criminal damage to equipment unless reasonably locked and secured;
- 10.3.2. Damage or loss due to misuse, abuse or overloading of the equipment or failure to take reasonable care of it, including any overloading of any motors or other electrical appliances or devices;
- 10.3.3. Damage caused to tyres and tubes by blowout, bruises, cuts, kerbing or other caused arising from the use of the equipment;
- 10.3.4. Loss or damage resulting from lack of lubrication or other normal servicing of the equipment;
- 10.3.5. Loss or damage of tools, digger buckets, accessories, grease guns, hoses and similar, electrical cords, welding cable, oxygen and/or acetylene bottles, pneumatic tools, steels and other similar accessories;
- 10.3.6. Loss or damage to plant where such loss or damage is due to any incident or accident involving (in any way) water;
- 10.3.7. Loss or damage of the equipment arising from a breach by the Hirer of the conditions of the Contract;
- 10.3.8. Loss or damage from the use of the equipment in violation of any statute, regulation or by-law; or
- 10.3.9. Loss or damage at any time when the equipment was operated or used beyond the term of the Contract or any agreed extension of the term of the Contract.
- 10.4. In addition to the above, special conditions or exclusions may apply depending on the nature or location of the Hirer's use of the equipment and these will be notified to the Hirer prior to the equipment leaving the Owner's premises. Any breach of those special conditions will constitute a breach of the Contract.
- 10.5. The excess payable by the Hirer will be specified in the Hire Document or, the Owner will draw the Hirer's attention to clause 10. The excess payable by the Hirer is for each and every incident involving the equipment. If the damage is excluded under the Owner's insurance, the excess will be considered part payment toward the total damage cost and any additional cost will be charged to the Hirer.
- 10.6. **Excess:** In the event of any loss, theft or damage to the equipment under clause 10 the Hirer must pay an excess charge. The excess charge will be as follows: \$500.00 if the Hirer is over 25 years of age, \$1,000.00 if the Hirer is under 25 years of age and \$1,500.00 if the Hirer is under 21 years of age.
- 11. LIMITATION OF LIABILITY, INJURY OR DAMAGE TO HIRER, THIRD PERSON OR PROPERTY**
- 11.1. In entering into the Contract, the Hirer acknowledges that the Owner has no liability to the Hirer for any direct or indirect or consequential loss or damage or for any loss of profit (or any other form of economic loss) arising in connection with the Contract (whether in contract or in tort) including that resulting from the negligence of the Owner, the use by the Hirer or, the Hirers' agents of the equipment, or arising by operation of law. Without limiting the foregoing, the Owner is not liable for any indirect or consequential loss or damage including any loss of profit or other loss suffered by the Hirer, or liability incurred by the Hirer, as a result of the breakdown of any hired equipment, however caused.
- 11.2. Subject to the exclusion of liability in clause 11.1 above, the maximum aggregate liability of the Owner for all claims made by the Hirer, whether as a result of any breach of the Contract or on any other ground or terms whatsoever (including liability as a result of tort, including negligence) will not exceed:
- 11.2.1. in the case of any equipment purchased by the Hirer, an amount of \$2,500; and
- 11.2.2. in the case of any equipment hired, the lesser of the hire charges paid by the Hirer to the Owner pursuant to the Contract and three months' hire charges paid by the Hirer to the Owner pursuant to the Contract.
- 11.3. The Hirer will indemnify the Owner against any liability, losses, damages or expenses incurred or suffered by the Owner as a result of any claim made by a third person against the Owner in respect of any loss or liability arising from the Contract or arising out of the use of the equipment hired or purchased by the Hirer.
- 11.4. Nothing in the Contract affects the Hirer's rights under the Consumer Guarantees Act 1993. If the Hirer is acquiring or hiring the equipment for the purposes of a business, the provisions of the Consumer Guarantees Act 1993 do not apply.
- 11.5. If the Hirer is purchasing equipment, then except as prohibited by law, all guarantees in respect of the equipment, whether express or implied, are excluded.
- 11.6. The Owner makes no warranty or representations as to the state, quality or fitness of the equipment for any purpose and no such warranty shall be implied. For the avoidance of doubt, no warranty shall be implied by the description of the equipment on the face of this form or by the provision of information relating to the proper operation and maintenance of the equipment. Any equipment sold is second hand and is sold as is.
- 12. NOTICES**
- 12.1. Notices shall be properly served on a person if delivered by hand or left at or posted in any prepaid letter addressed to that person at either the job address or any other address of the Hirer specified on the face of this Contract or, the Customer Application for Credit Account. Service by post shall be deemed to be effected on the second day after the day on which the notice was posted.
- 13. GENERAL**
- 13.1. Headings are inserted for convenience and shall not affect the construction of the Contract. The singular includes the plural and vice versa. Persons include incorporated and unincorporated entities. Words implying one gender include the other. A reference to a clause or sub clause is a reference to a clause or sub clause hereof. A reference to Owner includes its servants, agents, successors and assigns. The word "including" does not imply limitation.
- 13.2. If at any time any provision of the Contract is or becomes illegal, invalid or unenforceable in any respect under the law of New Zealand, that will not affect or impair the legality, validity or enforceability of any other provision of this Contract.
- 13.3. This Contract in all respects is deemed to be a contract made in New Zealand and is governed exclusively by New Zealand law.
- 14. PRIVACY ACT 1993**
- 14.1. If the Hirer is an individual, this clause 14.1 applies. The Owner requires personal information and will collect and hold personal information about the Hirer, principally for the purpose of evaluating the hire of equipment by the Hirer. The Hirer's application to hire equipment may be declined or the hire terminated if the Hirer fails to provide requested personal information. The Hirer can access and seek correction of any personal information by contacting the Owner. The Hirer agrees that its personal information may be used by the Owner to advise the Hirer of the Owner's other goods and services. The Hirer authorises the disclosure of personal information held by any other party regarding any previous hire contracts entered into by the Hirer. The Hirer agrees to the Owner releasing to other parties information regarding the Contract if the Hirer does not comply with its obligations.
- 14.2. The Hirer and each person who signs the Owner's Application for Credit authorises the Owner:
- 14.2.1. to collect, retain and use information about the Hirer or such other signatory from any person for the purpose of assessing the Hirer's or such other signatory's creditworthiness;
- 14.2.2. to collect, retain, and use information about the Hirer or such other signatory from GPS trackers that are installed on specific equipment for the purpose of tracking the equipment;
- 14.2.3. to disclose information about the Hirer or such other signatory:
- 14.2.3.1. to any person who guarantees, or who provides insurance, or who provides any other credit support, in relation to the Hirer's obligations to the Owner; and/or
- 14.2.3.2. to such persons as may be necessary or desirable to enable the Owner to exercise any rights under the Contract.
- 15. RETENTION OF TITLE (IN THE EVENT ANY EQUIPMENT IS SOLD)**
- 15.1. The legal and equitable ownership of any equipment supplied will remain with the Owner until payment has been made in full of the purchase price for the equipment, and of all monies for the time being due and owing to the Owner.
- 15.2. If the equipment has been mixed with or incorporated into other goods or products so that it is impossible or impracticable to remove the equipment supplied then the Owner will be co-owner of the mixed goods or new products in proportion to the contribution made by the Owner's equipment to the mixed goods or new products.
- 15.3. If the Hirer resells the equipment regardless of any period of credit, before payment is made of all sums owing (or payment simply incorporating those goods) to the Owner, then:
- 15.4. As between the Hirer and its purchaser, the Hirer is a principal and not the agent of the Owner.
- 15.5. The Hirer will pay all proceeds of sale of the goods to its account with the Owner, and the Hirer will pay or deal with the proceeds in accordance with any directions given by the Owner. This will occur whether the account is in credit or debit at the relevant time.
- 15.6. Until the Hirer accounts to the Owner, the proceeds of sale are deemed to be held by the Hirer in trust for the Owner.
- 15.7. The Owner is entitled to demand that the Hirer exercise all of its available rights to enforce payment by the person or persons to whom the goods have been or will be sold or supplied. However, that will not affect any other rights and remedies of the Owner as against Hirer.
- 15.8. If default is made in the payment of the purchase price of the goods or of the other money referred to, the Owner may repossess the goods and dispose of them as it sees fit, may stop any further deliveries, and may cancel any contract with the Hirer.
